Diamond Laser Treatments™

The Black Diamond Laser Treatment™ is a revolutionary laser treatment using a medical-grade carbon lotion. It is painless with minimal-to-zero downtime. This treatment is beneficial for people with oily skin, blackheads, enlarged pores, dull skin, and acne on the face or body. It is also used to treat sun damage, fine lines and wrinkles.

PRICELIST 2024

Micro-needling

Micro-needling, also referred to as collagen-induction therapy (CIT), is a cosmetic procedure that uses tiny, sterilized needles to create small micro-injuries to the skin. This stimulates the production of collagen and elastin, that can lead to younger-looking, smoother skin.

Face only	R985
*add DH Rejuvenating Solution	R1385
*add DH Brightening Solution	R1250
*add Retinol 0.3	R1165

Stretchmark Removal - Thighs	R750
Stretchmark Removal - Stomach/Breasts	R600

Brows & Lashes

Tinting dyes the brows and the lashes, and can last between 3 to 4 weeks. We recommend a patch test before tinting as a precaution to possible allergies or skin sensitivity to the product.

Lash Tint	R80
Brow Tint	R70
Lash & Brow Tint Combo	R130
Brow Tint & Wax Combo	R150

Facial Waxing

Our clinic uses Italwax to ensure good results and minimal pain during the waxing procedure. The hair needs to be at least 0.5 cm long for best results.
